Dear friends,

Thank you for considering participating in this year's annual Baby Bottle Campaign; benefitting The Refuge Center. We truly appreciate every penny that is raised.

The Refuge Center is a Christian organization providing services that promote healthy pregnancy, birth, and lifestyle to encourage abundant life for the entire family regardless of race, religion, or economic status.

We believe that through the restoration of the traditional family we can help bring a healing to our land and a blessing to its people. For this reason we daily offer services such as free pregnancy tests, options counseling, free limited obstetric ultrasounds, material needs assistance, and parenting classes for both mothers and fathers...all free of charge. These services are paid 100% by community support.

Since 1984, The Refuge Center has served over 60,000 families in Rockdale and surrounding communities. Roughly 86% of our clients live at or below the national poverty line. The services that we provide through the generosity of our supporters is extremely valuable to this population, especially during the time of distress that often accompanies an unplanned pregnancy situation. In the past 36 years, we have been blessed to have been a small part of over nine thousand births in this community.

Our goal for the future is not only to continue providing these valuable services, but to expand our offerings to further meet the needs of our growing community. Services such as our Practical Fatherhood mentoring will encourage the growth of stable, loving families for generations to come.

Would you please join us and support the life affirming ministry of The Refuge Center?

"The Lord is a refuge for the oppressed, a stronghold in times of trouble." Psalm 9:9

In His service,

A handwritten signature in black ink that reads "Angela Worthey".

Angela Worthey
Executive Director
The Refuge Center

*"Today is the day to change
someone's tomorrow."*
